TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Belmont in the County of Belknap in said State, qualified to vote in town affairs:

You are hereby notified to meet at Community Hall in said Belmont on Tuesday, the 9th day of March, next, at 9:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To choose one Selectman for three years, one Trustee of Public Library for three years, and one Trustee of Trust Funds for three years.
3. To raise such sums of money as are recommended in the Budget and make appropriations for the same.
4. To see if the Town will vote to allow a discount of 2% on all taxes paid on or before July 5th, 1948.
5. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
6. To see if the Town will vote to have the term of its Police Officer three years.
7. To see if the Town will vote to raise the salaries of any of its Town officers or employees.
8. To see if the Town will authorize its Road Agent to plow driveways.
9. To see if the Town will authorize the Selectmen to purchase any Snow Removal equipment and raise and appropriate money for the same.
10. To see if the Town will authorize the Selectmen to negotiate with the Belmont Hosiery Co. for the purchase of Community Hall and raise money for the same.
11. To see what the Town will vote to do with the income from the John M. Sargent Fund.
12. To see if the Town will vote to have the Town Manager form of Government as provided in Chapter 55, Revised

Public Laws of New Hampshire 1942, as amended by chapters 20 and 236 in 1947

13. To see if the Town will vote to have the Town Manager assume the affairs and the duties of the Tax Collector of the Town of Belmont as legally provided by article 16 of chapter 55 of the Revised Public Laws of 1942 as amended.
14. To see if the Town will vote that all new Budget Committee members be elected from the floor of a town meeting.
15. To see that the Trustees of the Town of Belmont Public Library make a public subscription for money for the purpose of purchasing new books.
16. To see that the necessary steps are taken to bring the Public Service Co. of N. H. into the Town of Belmont.
17. To see if the Town will vote to empower and instruct the Selectmen to establish a Municipal Court and draw up or cause to be drawn up, such ordinances as are or may be legal and proper for the government of the Town of Belmont, N. H.
18. To see if the Town will elect on the floor of the town meeting nine registered voters of the Town of Belmont, to act without compensation as an advisory committee with the Selectmen for the purpose of selecting a Manager for the Town of Belmont, and to fix compensation to be paid said Manager. Said committee to serve for a period of one year, and meet once each month with the Selectmen and Town Manager in an advisory capacity only.
19. To see if the Town will vote to close the Swallow Road, so called, from the Durrell Mt. Road to the Gilford Town Line.
20. To transact any other business that may legally come before said meeting.

The polls shall not close before 3:00 p.m.

Given under our hand and seal, this 21st day of February, in the year of our Lord nineteen hundred and forty-seven.

STANLEY HILL
HARRY HOWLAND
HAROLD JONES
Selectmen of Belmont

A true copy of Warrant—Attest:

STANLEY HILL
HARRY HOWLAND
HAROLD JONES
Selectmen of Belmont

REPORT OF THE STATE TAX COMMISSION

DIVISION OF MUNICIPAL ACCOUNTING

In accordance with the vote of the town, an audit and examination of the accounts of the Town of Belmont has been made by this Division. This audit covered the fiscal year ended December 31, 1946, and the period from January 1st to October 22nd, 1947. Exhibits as hereafter listed are included as part of the report which is submitted herewith. The report is made up in three sections as follows:

Section I —Fiscal Year Ended December 31, 1946

Section II —Period January 1st to October 22nd, 1947

Section III—Statistical Tables Covering Ten Year Period

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Library Trustees, and Collector of Water Rents.

FINANCIAL STATEMENTS

Comparative Balance Sheets—December 31, 1945-December 31, 1946: (Exh. A)

Comparative Balance Sheets as of December 31, 1945 and December 31, 1946, are presented in Exhibit A. As indicated therein the net debt increased by \$2,944.23 during the year.

Analysis of Change in Financial Condition: (Exhibit B)

The factors which caused this change in financial condition may be summarized as follows:

Net Debt—December 31, 1946	\$31,057.94
Net Debt—December 31, 1945	28,113.71
	<hr/>
Increase in Net Debt	\$2,944.23

Analysis of Change in Net Debt

Increases

Budget deficit	\$5,636.47
Decrease of cash in hands	
of officials	2.47
Other items	9.87
	<hr/>
	\$5,648.81

	Decreases	
Notes and bonds paid	\$2,500.00	
Increase in accounts receivable (water rents)	204.58	
		\$2,704.58
Net Increase		\$2,944.23

**Comparative Statements of Appropriations and Expenditures—
Estimated and Actual Revenues: (Exhibits C and D)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1946, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D) a net overdraft of appropriations of \$5,997.25, less a net revenue surplus of \$360.78, resulted in a net budget deficit of \$5,636.47.

Statement of Indebtedness: (Exhibit U)

A statement of indebtedness as of December 31, 1946, showing annual maturities of principal and interest, is contained in Exhibit U.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1946, made up in accordance with the uniform classification of accounts, is included in Exhibit E.

Statistical Tables:

The third section of the report is comprised of statistical tables covering the ten-year period from 1937 to 1946. These are as follows:

- I —Comparative Balance Sheets
- II —Comparative Statement of Indebtedness, Valuation and Taxes.
- III—Comparative Statement of Taxable Valuation and Taxes Assessed.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Proof of the Treasurer's balance as of October 22, 1947, is indicated in Exhibit AA.

TAX ACCOUNTS

The tax warrants and tax sale accounts of Collector Cushing were audited. Included were the tax warrants of 1947, 1946, 1945, 1944, 1943, 1942, 1941, and 1940. Summary statements of these accounts as of December 31, 1946 and October 22, 1947, appear in Exhibits F, G, H, I, J, K, L and CC, DD, EE, FF, GG, HH, II and JJ, respectively.

Statements showing the activity in the tax sale accounts for the fiscal year ended December 31, 1946 and the period from January 1st to October 22nd, 1947, are presented in Exhibits M and KK, respectively.

Verification of a substantial number of uncollected tax accounts was made by mailing notices to taxpayers.

A statement of the special poll tax account, for the levies of 1944 and 1945, as of October 22, 1947, is contained in Exhibit LL.

The recapitulation of the tax collector's accounts, as of the date of audit, October 22, 1947, indicates total excess debits (account of the levies of 1944, 1943, 1942 and 1941) of \$302.21; and total excess credits (account of the levies of 1947, 1946, 1945, and 1940) of \$106.91. The resulting balance of \$195.30, was due the town from the Collector. (Exhibit BB)

TOWN CLERK

The accounts of the Town Clerk were examined and audited. All funds received by the Clerk on account of the issuance of motor vehicle permits and dog licenses were properly accounted for through remittances to the Treasurer, fees retained or cash on hand. Summaries of these accounts appear in Exhibits O and MM.

TRUST FUNDS

The bank books representing the principal and unexpended income of the trust funds were examined. A summary statement of trust fund principal, income and investments is included in Exhibit P.

LIBRARY

An examination was made of the accounts of the Trustees of the Library. Summary statements of library receipts and expenditures for the fiscal year ended December 31, 1946, and

the period, January 1 to October 18, 1947, are presented in Exhibits R and NN. Proof of balance as of October 18, 1947, is also indicated in Exhibit NN.

WATER ACCOUNTS RECEIVABLE

The accounts of the collector of water rents were examined and a statement of the accounts receivable and collections for the fiscal year ended December 31, 1946, is contained in Exhibit S.

SCHOOL APPROPRIATION ACCOUNT

A schedule of the school district appropriation account, covering the period from January 31, 1941 to December 31, 1946, inclusive, indicates an appropriation balance due to the school district, as of December 31, 1946, of \$7,162.85. The original town balance sheet, as of this date, reported the appropriation balance due schools as \$6,261.00. (Exhibit T)

GENERAL COMMENTS

Current Deficit:

The balance sheet of December 31, 1946, (Exhibit A) indicates a current deficit in excess of \$10,000.00 on that date. This was more than twice the amount of the current deficit at the close of the preceding year as shown herewith:

	December 31, 1945	December 31, 1946
Total Current Liabilities	\$20,152.85	\$27,968.85
Total Assets	14,999.14	17,370.91
Current Deficit	\$5,153.71	\$10,597.94

In explanation of the term "current liabilities", it may be stated that these consisted of "accounts payable", "unexpended balances of appropriations" and "outstanding temporary loans".

To be in a sound financial condition a town should at all times have sufficient "assets" to meet its "current liabilities". Therefore, we must conclude that the financial condition of the Town of Belmont is becoming increasingly serious. The chief factor responsible for this situation is the accumulation of annual budget deficits resulting from appropriation overdrafts. The budget deficit in 1946, heretofore referred to in this report, amounted to \$5,636.47. This condition can be remedied only by more careful budget preparation and strict adherence to the appropriations which are authorized.

The current deficit of \$10,000.00 should be taken care of either through 1) the issuance of refunding serial notes or bonds (which would require special legislative authority) or, (2) by special annual appropriations of \$2,000.00 made for the purpose of reducing the amount of outstanding temporary loans each year for five years. The first method is recommended.

Board of Selectmen:

Bills and invoices should always be attached to and filed with vouchers issued in payment thereof. It was very difficult to compare supporting bills with vouchers as there is at present no adequate system of filing bills and invoices. In many instances, not even the voucher number appeared on the bills.

More attention should be given to the matter of the proper classification of accounts. A change in the method of accounting relative to the withholding tax was also recommended and installed.

The amount of the tax warrant should be verified before the warrant is committed to the collector. Any changes in the warrant, as originally made out, should be made only upon proper authorization of the board.

The selectmen should require that fiscal officers of the town make monthly remittances to the treasurer as provided by law.

Tax Collector:

Partial payments made either on tax warrant or tax sale accounts should be entered in the cash book and posted to the warrant or tax sale record book. Funds received by the collector on account of such partial payments should be included with regular monthly remittances to the treasurer.

A complete record of each tax collection should be made in the warrant book by the collector. This should include the amount of payment, discount or abatement (if any), interest collected (if any), and the day, month and year of payment.

If partial payments are made on redemption accounts, only the actual unredeemed balance of such accounts should be reported as "assets" at the close of the year.

The collector should follow the forms prescribed by this Division in making out his annual report to the town. The collector's report, which appears on page 29 of the 1946 annual town report, is very inadequate.

Detailed lists of uncollected and unredeemed taxes should accompany the collector's report. This is a requirement of the law. All uncollected taxes should be carried as "assets" in the balance sheet of the town until such time as they have been collected or abated.

It is considered better procedure for a tax collector to sell property each year rather than to add the amount of subsequent year's taxes to the original sale. If property is sold each year the taxpayer can likewise redeem each year's sale, otherwise he must pay the amount of the original sale, plus all subsequent years' taxes, to redeem his property.

Town Clerk:

Remittances of funds received from the issuance of motor vehicle permits should be made to the town treasurer monthly.

Conclusion:

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features should be published in the next annual town report. This letter of transmittal should be included in its entirety, but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Town of Belmont for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting, State Tax Commission.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

Belknap ss:

To the inhabitants of the School District of Belmont, qualified to vote in District affairs:

You are hereby notified to meet in Community Hall, in said District, Saturday March 6, 1948, at 2:00 p.m. to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a member of the School Board to serve three years, to fill the vacancy arising from the expiration of the term of office of John J. McDonough.
5. To hear the reports of Agents, Auditors, Committees or officers heretofore chosen and pass any vote relating thereto.
6. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
7. To determine and appoint the salaries of the School Board and other district officers.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the School Board in its annual report.
9. To see what action the district will take to provide increased school plant facilities for elementary and high school pupils and raises and appropriate funds for the same.

10. To see if the district will vote, raise and appropriate, and make available to the School Board by April 1, 1948, the sum of One Thousand Two Hundred Fifteen (\$1,215.00) Dollars for the payment of increased transportation charges from January 5, 1948, and One Thousand Seven Hundred Thirty-four (\$1,734.00) Dollars as an anticipated operational deficit in the current school year.

Given under our hands at said Belmont, this 6th day of January, 1948.

AUDITOR'S REPORT

This is to certify that we have examined the books and other financial records of the school board of Belmont of which this is a true summary for the fiscal year ending June 30, 1947, and find them correctly cast and properly vouched.

FRANK E. HUNTOON

July 22, 1947

Auditor

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board, Parents, and Voters in the Belmont School District:

If given free rein, the thinking of man can release the most treacherous forces—ill will, discontent, turmoil, suspicion, disbelief, hatred, and strife, or it can create the greatest blessings. The record of the ages is that a balance has always been struck between evil and good. Panics, disorders, misery, and wars give way to rule by and respect for laws and agreements, human betterment, peace and opportunities for folks to live their lives in freedom, rear their families, and honor spiritual attributes—eternal values.

The schools, now buffeted temporarily by the tensions and complexities of the times, stand for and promote programs designed to advance a race or nation of young people who are strong in body, alert in mind, straight-forward in purpose, and calm in inner life.

Facilities, materials, personnel, and funds are needed to provide the schools for the accomplishment of our goals. This report will describe some of the steps which are being taken to attain the ideals for which we strive.

BUILDINGS AND EQUIPMENT

Insurance

For many years, insurance policies of small amounts have been held to cover some of the loss which might obtain through destruction of a building by fire. On the Gale School, the policy limit was \$5,000 and \$10,000 on the high school. At present costs of construction, these amounts would be very inadequate to build new plants if old ones were destroyed by fire. The School Board acted to remedy the situation.

Last January, a representative of the Fire Underwriters' organization made a survey of the insurance coverage and offered recommendations.

School	Replacement Cost	Depreciation	Sound Estimated Value
Belmont High School	\$58,500	\$8,800	\$49,700
Gale School	51,200	23,000	28,200

In October, the School Board decided to insure the High School for \$42,000 on a five-year term plan and the Gale School for a similar period for \$21,000. The following costs result.

Fire Protection Only Five-Year Plan	Old	New	First Year Costs	Succeeding Years' Costs
Belmont High School	\$10,000	\$42,000	\$655.20	\$218.40
Gale School	5,000	21,000	352.80	117.60
			\$1,008.00	\$336.00
Rebate—Cancelled Policies			244.00	
Net first year costs			\$764.00	
Annual costs after first year				\$336.00

Lights at Rear of Buildings

For many years, sporadic damage to buildings has been caused by persons who could prowls about the structure in darkness. The Selectmen and the School Board, jointly, have finally succeeded in having floodlights attached to both buildings to illuminate the grounds, removing dark corners in which mischief could be perpetrated unnoticed.

Expense in renewing supports for the bell at the Gale School was saved by discontinuing its use. A handbell now calls pupils from the playgrounds.

Building Committee

On March 8, 1947, the School District meeting voted to have a committee of three appointed to work in conjunction with the School Board and report at the next annual school district meeting on steps the district should take to provide gymnasium facilities at the high school. The Moderator appointed three members, representing different groups in town.

The Committee

School District Meeting Members

Ellis N. Blaisdell (Budget Com.)
Clarence B. Dearborn (Legislator)
Euclide F. Blanchard (Veterans)

School Board Members

John J. McDonough
Richard W. Weston
Helena L. Bryant

All members of the Committee met at the Gale School on April 10, 1947, at 8:00 p.m. Mr. John J. McDonough served as chairman and Mrs. Helena L. Bryant as clerk. There was agreement on the need for gymnasium facilities and possibly for

additional classrooms. Mr. Douglass G. Prescott was chosen as architect and invited to attend the next meeting of the Committee. Later, Mr. Henry W. Erickson, partner of Mr. Prescott's, attended.

Meetings were held on April 13, 20, and 27, 1947, culminating in an application to the Federal Works Agency early in May for an Advance for Plan Preparation. For lack of funds, the Federal Works Agency awaits approval of the application. The details of the application are shown below.

Miscellaneous	464.80
	<hr/>
	\$86,520.00

Equalized Valuation \$1,147,486

Debt Limit, 8% 91,798

Summer Repairs and Changes

To increase the facilities at the high school, a new shop was constructed by partitioning part of the basement of the Gale School, installing an entrance on the west side at ground level, and moving the equipment from the former shop.

The upper floor of the Gale School was redecorated and plans were laid for completion of the interior of the whole building by next summer.

Corridor drinking fountains were installed in the high school and some redecorating was done.

The services of Mr. Clifford Robichaud were utilized last summer in painting, repairing and cleaning. He has done an excellent job in putting the buildings into fine condition.

Community Hall

The School Board has agreed to the payment of rental for the use of Community Hall. For its use every afternoon and for two nights a week, including all school functions, \$300 will be paid.

Fire Drills

Fire drills have been held frequently and pupils trained to care for themselves both during such exercises and in the event of a fire.

FINANCES

Annual District Meeting

In March 1947, the School Board presented in the Town Report a School Budget of \$31,781.20 and at the annual district meeting advocated an increase to permit the retention of teachers through salary adjustment. The Budget voted was \$34,959.32.

The 1947 Legislature voted a 500% increase in State Aid. Under this legislation, Belmont's allotment was estimated to be \$13,200. A legislative requirement was that a special school district meeting be held to appropriate the estimated State Aid funds.

Special Meeting

On July 8, 1947, a special School District meeting was held. It was voted that \$8,640.68 of the estimated state aid of \$13,200 be appropriated for 1947-8 school expenses and that \$4,559.32 be appropriated to reduce school taxes. This made the 1947-8 assessment for the support of schools, \$30,400. By this action, the original printed assessment was reduced over a thousand dollars, and the amount made available to the school board to meet rapidly mounting expenses was considerably increased.

School Treasurer

Mr. William E. Phillips, conscientious school district treasurer for many years, resigned following the annual meeting in March and Mr. Wilson B. Mansfield, elected to take office July 1, was appointed to complete Mr. Phillips' term.

Effect of New State Aid Bill

The immediate effect of the State Aid appropriation by the 1947 Legislature shows in a statement received early in December from the State Board of Education.

I. Equalization Aid:

One-room schools approved	---	x \$1800	-----	
Other elementary pupils	170	x \$ 75	\$12,750.00	
Secondary students	70	x \$ 100	7,000.00	
			<hr/>	\$19,750.00
Equalized Valuation (1947)	\$1,301,530.			
Less \$6.00 Tax on Equalized Valuation				\$ 7,809.18
Total Equalization Aid — Maximum				\$10,000.00

II. General Aid:

Elementary pupils	170	x \$12.33	\$2,096.10	
Secondary students	70	x \$16.44	1,150.80	
			<hr/>	3,244.90
Total Aid—Available December 1, 1947				<hr/> \$13,246.90

PUPILS

School Lunches

Last spring girls in the Junior Class desired to earn money for class activities. They planned and successfully served hot lunches, selling them to pupil purchasers for a small charge.

Home Nursing Course

Through the efforts of the Laconia branch of the American Red Cross, some high school girls took a Home Nursing Course last spring. A registered nurse taught this work in the Domestic Science room and several girls had the benefit of the instruction, besides earning $\frac{1}{4}$ unit credit toward graduation.

Athletics

Another successful basketball season for the boys was enjoyed last winter. Mr. Robert Dearborn gave unstintingly of his time and energy. A trip to the Interscholastic Basketball Tournament at the University of New Hampshire was the reward for hard playing.

This winter, lacking a local person for coaching, Messrs. John J. Bane and Henry J. McLaughlin are directing the boys' group and Mrs. Phyllis Agle Carey has the girls.

Dental Clinic

The school Nurse, Mrs. Lurline H. McCook, organized a Dental Clinic last spring. Through the solicitation of Mr. John J. McDonough, cars were provided to carry the pupils to Laconia for dental treatments.

Closing Exercises

The last school year closed with Baccalaureate June 15 and graduation exercises for high school pupils in Community Hall on Monday evening, June 16th, at 7:30 p.m. The program:

Cost per day per pupil, about 233c

Health Program

The School Board has long desired to promote among all pupils a Health Program which would serve their best interests in many ways. Of primary importance is the physical examination of boys and girls, to discover the bodily weaknesses and to start to correct these. Since it is possible to tell the condition of each pupil only by a complete examination, one similar to that for persons entering the nurses corps or the armed forces, considerable time is required. To this end, complete physical examinations have been held. Dr. Harry E. Trapp, Jr., is the examining physician for the boys and Dr. Kathleen Robinson for girls. The records are kept by the School Nurse, who does the follow-up work to get remedial defects corrected.

Bus Safety

The film, "Priceless Cargo," in which bus drivers and pupils see others conducting themselves acceptably on a school bus in operation, was shown to all bus pupils and their drivers this fall.

Hearing Tests

By joint purchase, a Maico Tru-Tone Audiometer has been obtained for hearing tests in Supervisory Union No. 59. This is equipment similar to that in an otologist's office and brings to each pupil a true test of his hearing losses.

Correspondence Courses

To provide an opportunity for pupils in Belmont High School to obtain training comparable to the offerings in some larger high schools, and at low cost to the District, Correspondence Courses under the direction of the Extension Service of the University of Nebraska are purchased. Courses being taken are:

Typewriting (Commercial Arts Ix-43) 11 pupils
Auto Mechanics (Practical Arts Ixx-43) 3 pupils
Gas Engines (Practical Arts XIx) 2 pupils
Dairy Production (Agriculture Ix-DH) 3 pupils
Sketching (Art LVx) 3 pupils
Mechanical Drawing (Art XXIIIx) 1 pupil
Solid Geometry (Mathematics VIIIx) 1 pupil
Social Science (Am. History Vx-W) 1 pupil
Homemaking (Clothing Construction XIx) 1 pupil

NO SCHOOL SIGNAL BY RADIO

"No-School" signals will be given by radio. The closing of any school after the beginning of the morning or afternoon session will be done by announcement by the teacher in charge.

Concord Radio Station WKXL (1450 on dial)

Laconia Radio Station, WLNH (1340 on dial)

"No School" announcements at: 7:15, 7:30, 7:45, 8:00 a.m.

Schools will be closed on account of weather only when the conditions make walking very difficult or travel by car hazardous.

The "No School" signal may not be sounded this year or next. Rain-or-shine, storm-or-cold, the schools will be kept open, save for safety's sake.

Teachers' Salary Schedule

Salaries of teachers in this section of New Hampshire have risen materially but they have not kept pace with the cost of living rises, nor with increases granted to employes in almost

all other types of work. Last spring the Belmont School Board faced the problem of adjusting teachers' salaries. The teachers furnished a report which the school Board adapted and issued a schedule for 1947-48, subject to modification as conditions warrant.

Group I—Executive Positions

Headmaster, High School. Salary dependent on training, experience, and apparent potential success.

Principal, Gale School. Highest salary of the teacher group for similar training and experience, plus \$10 per month for additional duties as principal.

Group II—Teacher with Bachelor's Degree and State Certificate

- a. Teacher with more than 5 years' experience, \$2400
- b. Teacher with less than 5 years' experience, \$2100-\$2300
- c. Teacher with no experience, beginner, \$1800-\$2000

Group III—Teacher without Degree

- a. Teacher with State Certificate and with more than 5 years' experience, \$2300
- b. Teacher with State Certificate and with less than 5 years' experience, \$2200
- c. Teacher with Emergency Permit and with more than 5 years' experience, \$2100 plus \$50 for 6 semester hours' credit in a summer session above number now held.
- d. Teacher with Emergency Permit and with less than 5 years' experience, \$2000, plus \$50 for 6 semester hours' credit in a summer session above number now held.

Teachers Employed

Mr. John H. Starie, Belmont High School Headmaster for the last two years, was appointed Executive Secretary of the New Hampshire State Teachers Association and terminated his services in June 1947. Mr. Starie possessed much talent as a writer and had an easy manner in speaking. He was very in-

terested in matters pertaining to the welfare of teachers and the advancement of schools. With these fine qualities, there was every expectation that he would be very successful in the type of work for which he had been chosen, so on his request, the Board accepted his resignation.

To be the incoming headmaster, the Board elected Mr. John J. Bane, of Ashland High School. Mr. Bane has had a variety of experiences as playground instructor, inspector for a manufacturing company, teacher in Boston public schools, member of the Coast Guard reserve, an Army instructor at Camp Dix, coach of baseball and basketball, at Ashland. He attended St. Anselm's College and was graduated from Boston College in 1941. He also has a degree of M. Ed. in Guidance from Boston University.

To care for an anticipated influx of high school pupils, and to secure better teaching schedules, Mr. Henry J. McLaughlin of Manchester was employed in August. He is a graduate of St. Anselm's College, has had Army service, and has played on hockey, basketball, and baseball teams.

Miss Priscilla E. Marrotte, Music Supervisor, married in June. Her work is now conducted by Miss Jane R. Vogel of Manchester, N. H., graduate of Plymouth Teachers College and Rivier College.

Experienced teachers are in short supply and the number of beginning teachers is extremely limited, so the district is fortunate to have had so few changes in personnel. All other teachers continue to give their efforts towards the advancement of pupils.

Teachers' Meetings

One of the most important jobs of administration is to provide means whereby teachers may be cognizant of changing methods, materials, and teaching. In this supervisory union,

teachers are attending a series of meetings throughout the school year, particularly emphasizing "Child Development and the Curriculum." In each of these meetings, teachers take part as speakers, and a portion of each program is scheduled for voices from outside.

September 2—Visual Presentation of the Theme: "All Children are Created with Personalities," through the use of films prepared by the Yale Clinic of Child Development.

September 10—Safety and Health Education in the Curriculum. Dr. Kathleen Robinson, School Physician, addressed the subject of "Physical Examinations for All," and Safety on School Buses was shown in the film, "Priceless Cargo."

October 8—Learning and Expressing through the Arts. The main speaker: Dr. Mildred Landis, Supervisor of Fine Arts in New Hampshire.

November 5—Child Development through Human Relations and Experiences. Mrs. Ralph H. Smith, Laconia School Board member, and Rev. Paul V. Hostetter, PTA member from Gilford, discussed "Parents Want School to Teach 'Living.'"

January 7—Pupil Achievement in School Studies. Mr. and Mrs. Arthur H. Erholm of Tilton, formerly connected with New Jersey Institutional work, handle the topic: "Handicrafts, A Part of School Life."

March 3—Child Development and Conservation. A Program of Conservation and Reforestation will be outlined by Mrs. Marion H. Atwood of Sanbornton and an Extension Forester, Mr. K. E. Barraclough.

May 5—Child Development and Learning Levels. Mr. Donald F. Piper, Director of Youth Services, Concord, will describe "Learning Levels in High School Subjects."

Parents Associating with Teachers

There are several communities in the Lakes Region in which parents of youngsters enrolled in the schools have formed an association with teachers. In this way, common understandings are readily acquired and growing support of the instructional program for children and youths is obtained. Monthly meetings furnish many opportunities for parents to discuss both general and special school problems among themselves and with the teachers and school board members. Some parents, interested in their own children's advancement and in the school's program, might form a Parent-Teacher Association, or a Mother's Club, or a Home-School Association, or any similarly named organization. The school officials will gladly assist in the organizational details and in program planning, if a small group of parents desire the information and request it.

Conclusion

In submitting this eighth annual report, an outline of our joint efforts during the twelve months past, it is a pleasure to express appropriation to citizens, school board members, teachers, pupils, special workers, and employees in various capacities, for cooperation, understanding, industry, and success.

Respectfully submitted,

DONALD P. MATTOON
